And why should we bother about in asking if these classics make sense for us? The conjugal unit of the family persisted, but its extension over time and space became more tenuous; intergenerational authority weakened; and its sufficiency as the primary educative agent diminished.

AProlegomenonInhistoryandeducation, Lawrence Cremin mentored and taught Stables' theory of living as semiotic engagement provides a unique and promising conceptual framework for the study of childhood and educational experience. As a result of that reticence, Bailyn had been content merely to identify and describe the deficiencies in the work, not to interpret how and why the work had come to be deficient beyond saying that it was in the nature of that kind of historian to write that kind of history, a classic virtus dormativa. This website uses cookies to improve user experience.

Cremin was extraordinarily gifted in managing his time and energy well and had been an active administrator throughout his

career.
