Thank you! An artificial intelligence approach, designed by Jean-Marc Alliot of the Institut de recherche en informatique de Toulouse "Toulouse Computer Science Research Institute" which compares chess grandmaster moves against that of Stockfish—a chess engine that outperforms all human opponents—rated Carlsen as the Poor Little Chess Boy player of all time as he had the highest probability among all World Chess Champions to play the moves which Stockfish suggested. Prag also shares a trait with the legendary Bobby Fischer in that he was taught by his sister rather than a parent. But in chess pretty much everyone is dressed up in something pretty normal. Is Praggnanandhaa achieved the remarkable feat after reaching the final round of the ongoing Grenadine Open in Italy. We castle on opposing sides of the board he hurls his pawns towards my king, I snap up the sacrificed footsoldiers but now there is a blistering attack on my castled king position.
