Cambridge bibliography of English literature. Aesop's Fables or the Aesopica is a collection of fables credited to Aesop a slave and storyteller believed to have lived in ancient Greece between 600 and 500 BCE. It was during that time that he took on the challenge of putting his own aesthetic stamp on Aesop. The Delphians were afterwards visited by plagues, which as punishment by the gods. For every decent one I read, I read two that were a bit pointless. Watercolour paints are used but a more opaque form in the early 20th century produced a thicker, richer layer of flat colour. But, you might have to spend a lot of time explaining the stories to children if you are using the version by Aesop.
