Aside from this, the Movement owned its own bank. At times of over 50 per cent inflation, as was often the case in Iceland in the postwar period – throughout the years –83 – and with loans non index-linked, credit was a highly lucrative business – for the creditor! The dust has yet to settle.

TheIcelandWatch. The broader, continued opposition between the Icelandic and the un-Icelandic is usefully pointed out because it is something which most foreign visitors and potential readers of this book might otherwise not sense quite so forcefully. Wasteland with Words explores these paradoxes to uncover the mystery of Iceland. MelanieChallenger. This was also the time when the common people of Iceland started to make their voices heard in far greater numbers than. However, for anyone curious about the social history of his unique country, this is definitely an enlightening account.
