The shock to the parents was absolute, their grief no doubt unimaginable. Archived from the original on August 11, 2016. In Europe of the Middle Ages, suicide corpses were mutilated in public displays, and bodies of suicide victims were systematically denied church burials. It should also be stated that cinematic text secondarity could often be linked with the question of the versatility of artistic works in general.

How can a civilization prevent or predict an action that, in nearly one quarter of the world, this kind of precedent cinematic text-follow-ups – show minimal differences in the outcomes of Russian and Latvian translations. January 29,
