My memory is hazy - comes of writing a review long after I've read the book - but if I recall, the Creatus crash-landed on Earth four thousand years ago okay, so I got that from the blurb and have worked to integrate into human society - as well as hide from it - over the millenia. They are 4 thousand years old they live too about yrs they age slower, hear and see better and are stronger then I am glad I Creatus (The Creatus Series Book 1) the prequel to the Creatus series, becasue book2 is all over the place.
