No back yard? In addition to the pounds of concrete, we used about 30 pounds of mortar mix for the top layer.

Whether you buy garden stones from a home improvement store or make your own from concrete, it will take a bit of time to line those tiles up and how many you need will depend on the size of your bed. Make this wonderful and artistic mosaic pathway from stones of different colors.

Place your focal piece on the pavers surface. Can you imagine how whimsical the garden will be when you build your raised bed and then add your mosaic decorations.

When your hollow tube is decorated, place it in the garden and fill the bottom third with concrete mix to provide stability.
