Anderson jEet. XLIV [i]. Printed prier to the invention of  
Cherokee characters. InPhilolog. Third edition. The poem  
belongs to the fiercest period of the civil wars, though it  
was not published before the first years of the seventeenth  
century, which saw the final ruin of the protestant feudalism.  
He conceived it as not only sonorous, but suggestive,  
symbolical – not only a bell which enforces the sensation of  
time, but a beacon to the vision and the understanding.
