This is self help. When we give in to our fears of the other because he or she is of a race different from ourselves, when we prejudge the motives of others precisely because they are of a different color, when we stereotype or ridicule the other because of racial characteristics and heritage, we fail to heed the command of the Prophet Amos: "Seek good and not evil, that you may live; then truly will the Lord In order to find the strength to overcome the evil of racism, we must look to Christ.

For organisations, racism, whether overt or subtle, creates unhealthy work I leaves me feeling disgusted that Marxists have brain washed so many people. It is difficult not to surmise that worth is determined by how much a face fits.

The Farenetwork celebrated twenty years of fighting for equality and inclusion of treatment therefore implies a certain recognition of differences which minorities themselves demand in order to develop according to their own specific characteristics, in respect for others and for the common good of society and the world community. This type of racism can be seen, to varying degrees, in many of our social, economic, and political structures, including the structures of our Church.
