After a few minutes, the eagle's catch the scent of blood and swoop down into the misty depths of the ravine. Pagination for search results. A fourteenth-century atlas made in Mallorca abovewhich illustrates the Valley of the Diamonds, identifies the region as India. TheMightyDead. The geological setting of this pipe is described, which appeared at the time to not contain diamonds the author suggests they had been washed away due to weathering of the upper portions of the pipe. Laufer concludes that the "coincidences in these three Chinese versions and the story of the Greek author, even in unimportant details such as the thankful bird returning after one year to the marquis of Sui, are so striking, that an historical connection between Volume 15 two is obvious.
