We heard this more than once - hiring the best doesn't just mean the person that is most technically proficient. Even if this is monthly, quarterly, or twice a year, planning events outside of the workplace is one of the best ways to strengthen your team and build excitement for your business. This takes away the concern of finding someone to watch their kids while they are away, as well as saving them money.

However,youwillnotbeabletoregistryourselfthroughthewebsite.In order to succeed in today's rapidly changing world, you need to focus on finding the right team of professionals and motivate them to work together toward the goal you set for your company. In fact, every time I tried following someone else's script, I was fired.
