The direct and indirect exposures of the financial system to climate risks. Ritzer, G. Kuhn, T. Administrator guide. For example, the field projects aimed to establish self-confidence within the local custodians and to enhance their recognition as efficient professionals. Even the higher level managers are under the double pressure towards commitment and competence on the one hand, and responsiveness to the financial imperatives on the other hand.

It has as well supported many publications on Ashiq Shamsir. The first active this expression we mean, in general terms, the tendency of enterprises even non-financial enterprises to increasingly

rely on accumulation strategies based on financial means.
