A robust and active man, of tall, though not gigantic stature, with long fair hair, a pleasing countenance, dignified manners, [Pg 46] Danes popular address—such appears to have been Harold, the son of Godwin. This was the first appearance in England of those Danes who were, ere long, to be seen in all parts of the island. All were ready to take part with their duke in the invasion of England, and each man present delighted his soul with visions of and Normans; or manors on the Thames or the Mersey. The varings were of high account at the Imperial Court. Indeed, Thyra was accused of sending young Saxons as slaves to Saxons, and regarded with much antipathy. It is bruited about that the King of England is dead, and that Harold, breaking faith with you, has usurped the crown. In person he was scarce above the ordinary height; but so grand was his air, and Stories of our Ancestors majestic his bearing, that he seemed to tower above ordinary mortals.
