You submitted the following rating and review. It might be a good idea to plan a Book On one level, it's a brutally honest, no-punches-pulled look at the i The Art of the Trade Jason Alan Jankovsky The Art of the Trade is a searing portrait of the futures and options industry as seen through the eyes of someone who has participated in this arena for more than twenty years. Shipped from UK within 10 to 14 business days. The intention is not to

provide you with another trading system— God knows there are enough of those—but rather provide you a way of showing you two things to improve your trade approach: how you think and how the market thinks.
