Attanasio, O. Maluccio, J. Their extreme poverty rates in those decades were 12 percent, 10 percent, and 5 percent, respectively.

Giventhatdisabledpeoplefacepooraccesstoeducationandhealthfaciliti Do conditions attached to transfers exclude disabled people and how have schemes sought to overcome such potential barriers? There are indications that governments do see social assistance as one option within a wider framework of support for education, employment and other rights, but there seems to be little integration between social assistance and these other measures.

Others,suchasthelow-costhousingassistance,donotapplyspecificquota a DPO in Pakistan noted that regular cash transfers should be used for empowerment, independent living and livelihood, and disabled people in Ghana also stressed the potential importance of a disability allowance for meeting extra costs.
