All together, migration constitutes a process, not a state. By continuing to browse the site you are agreeing to our use of cookies.

However, not all forced migrants who fled due to climate-related causes will
As such, they should be dealt with and included in respective research on climate-induced migration and policy measures. Wiesbaden, Springer Lock, M. Silvey, R. Chindarkar, N. Human rights law has been used as a source of protection for this population, and many scholars have advocated human-rights based approach in adapting to their needs.
